

## Operation Ivy "Caution"

Visit "[Caution](#)" on MotoLyrics.com

Caution is a word that I can't understand  
C-A-U-T-I-O-N was a word I could not  
understand.

Walked the dog with a real short leash,  
turned around saw the dog walk me.  
Stainless steel and painted glass give me  
pulse like a hammer and mind to match.

No relief, no food, no sleep,  
when you're king for a day  
you're whore for a week.

(Chorus, repeat verse, chorus)

I didn't get it then

I think I got it now

Caution my friend

Don't step in the water 'till you know you can swim.
