These boots are made for walkin'
And that's just what they'll do.
One of these days these boots are going to
walk all over you
walk all over you

These boots are made for walkin'
And that's just what they'll do.
One of these days these boots are going to
walk all over you

walk all over you

all right get out the wayyyyy

walk all over you
walk all over you
walk all over you
walk all over you
walk all over you
Pick it up, pick it up, pick it up.
walk all over you
walk all over you
walk all over you, yeah
