Never had a reason for the attack
It's impulsive and insane
When I wanna talk sense to you
It's like spitting back at rain
I've come to know that when I first saw you
I should have ran away
I've kicked myself a thousand times
But now it's too late

[Chorus:]
Yelling in my ear
You try to control me
Yelling in my ear
You look but you don't see
Yelling in my ear [x3]

You got a big mouth are you ever gonna get a clue
You're loud obnoxious when you're gone I still hear you
Always spewing shit with your irritating voice
I don't wanna listen but I got no choice.

[Chorus]

Quit acting like you're nuts, just shut the hell up.

[Chorus]
