[Hook]

Eat you like food then I do the dishes
Ain't nothin betta than sex in the kitchen
Ohhhhhh
Pussy on my plate lookin so delicious
Ain't nothin better than sex in the kitchen
Lick the plate clean yea I do the dishes
Ain't nothin betta than sex in the kitchen x4

[Verse 1]

Damn
I love the way you ride
Thick in the hips and I love yo thighs
You looking at me while you grindin
Girl I love your eyes the way you work that thang
While you on make a nigga
Say ooh ah ooh ah

You nasty
I eat that pussy good
You ain't gotta ask me
I beat the pussy
It say dont you harass me
And I say sorry but your owner keeps asking
For the DICK
She want the DICK
Anytime anywhere she can get it
Why you think we havin sex up in the kitchen
Love makin its so hot we need a mitten
Ooh you good you good as grandmamas biscuits
Everything you do girl ain't nothing specific
You get so wet you wetter than the Pacific
You gone need a nap when im done with this

[Verse 2]

Get off you

Put the syrup on yo body (lick it off you)
Put the whip cream on yo body (lick it off you)
Ooh you comin girl (i lick that off too)
You can come where ever you like
You can come where ever you like
And now I got your heart racing
We making love faces
And we both know these four walls can not talk
So they won't say shit when you against them
But back it up shawty if you keep actin up
Ima have to smack that ass with the spatula
Sweat drippin all over your body
I love to eat candy can I taste your chocolate
Whatever you demanding pleasing you is my hobby
I beat it til you come and I ain't stoppin
Til you tell me slow down
