I'll end it all and jump in the bay
Cause I must atone for all my mistakes
I've been a fool mistreatin' you and I'd say
Losin' my temper once a day
So I'll take a walk if my mind let me out
I thought of my faults and all I put down
I've been a fool mistreatin' you and you'd say
The closer we are we get so far away

Here we go again, miles away
So far away
Here we go again, miles away
So far

I'll end it all and jump in the bay
Cause I must atone for all my mistakes
I've been a fool mistreatin' you and they'd say
There goes a fool as I washed away

Here we go again, miles away
So far away
Here we go again, miles away
So far away

The closer we are
Oh, the farther we get
We keep goin' in circles
It's drivin' me crazy
Goin' in circles
It's drivin' me

Here we go again, miles away
So far away
Here we go again, miles away
So far away

I'll be your heartache
If you be my pain
I'll be the trouble that comes walkin your way
I'll be the memories that you can't replace
If you'll be the one

If you'll be the one
If you'll be the one
