You ain't brave
Your just a slave
To the ones you blame
Afraid it'll go away
Pray that it's gonna stay

Nothing pays off
For pussy motherfuckers
I wont live your way
Wont do what you say

I wont fade away
'Cause I ain't lost like you
I ain't lost like you

Annihilate
Enemies that you make
The ones that you helped create
The pain that its gonna take
When the shit goes down
We go underground

I wont live your way
Wont do what you say
I wont fade away
'Cause I ain't lost like you

I wont live your way
Wont do what you say
I wont fade away
'Cause I ain't lost like you
'Cause I ain't lost like you
I ain't lost like you

'Cause nothing pays off
For pussy motherfuckers

I wont live your way
Wont do what you say
I wont fade away
'Cause I ain't lost like you

I wont live your way
Wont do what you say
I wont fade away
'Cause I ain't lost like you
I ain't lost like you
I ain't lost like you
