I was 19 you were 21
The year we got engaged
And everyone said we were much too young
But we did it anyway
We got the rings for 40 each
From a pawn shop down the road
We said our vows and took the leap
Now 15 years ago

And we went dancin' in the minefields
We went sailin' in the storms
And it was harder than we dreamed
But I believe that's what the promise is for

Well I do are the two most famous last words
The beginning of the end
But to lose your life for another I've heard
Is a good place to begin
Cause the only way to find your life
Is to lay your own life down
And I believe it's an easy price
For the life that we have found

And we're dancin' in the minefields
We we're sailin' in the storms
And this is harder than we dreamed
But I believe that's what the promise is for
That's what the promise is for

So when I lose my way
Find me
And if I lose love's chains
Bind me
And at the end of all my faith
'Til the end of all my days
When I forget my name
Remind me

So let's go dancin' in the minefields
Let's go sailin' in the storms
Let's go dancin' in the minefields

And kicking down the doors
Yeah we're dancin' in the minefields
(Don't give up on us)
Go sailin' in the storms
(Don't give up)
This is harder than we dreamed
But I believe that's what the promise is for
That's what the promise is for

I was 19 you were 21
The year we got engaged
