I got a car and it goes real fast
But only when I can afford the gas
It's been forever since we changed the tags
But it's OK, it's OK

My rent is due but I'm low on cash
Practically broke credit card maxed
And now they're telling me it's time for tax
It's OK, it's OK

Cause I always said
Every day is a good day
Every day is a good day
Every day is a good day
When I'm with you
When I'm with you

I bought a ticket in the lottery
Picked up the right numbers got the wrong week
My lady luck is on a losing streak
But it's OK, it's OK

Spent half an hour in the truck-o-line
Oh, the shake was wrong and they forgot the fries
I was halfway down the road before I realised
It's OK, it's OK

Cause I always said
Every day is a good day
Every day is a good day
Every day is a good day
When I'm with you
When I'm with you

The CD's scratched on my favourite track
I blew a valve in my marshall stack
But as long as we're together baby I know that
It's OK, it's OK

Every day is a good day
Every day is a good day

Every day is a good day
When I'm with you
(Every day is a good day)
When I'm with you
(Every day is a good day)
I said when I'm with you
(Every day is a good day...)
