It's been a long day
And I still got so much left to do
My only saving grace is that I know that you
Will be waiting for me
Steal me from the world outside
Remind me that I'm still alive
Everything's OK
When I hear you say

Come on, come on, come on
Baby give it up
Lay your love, lay your love on me
Too much of you ain't never gonna be enough
Lay your love, lay your love on me

You know I've had a long day too, baby
And I need somewhere to fall apart
And I know it's right there in your arms
And all I am is yours
So what are you waiting for

Come on, come on, come on
Baby give it up
Lay your love, lay your love on me
Too much of you ain't never gonna be enough
Lay your love, lay your love on me

All I am is yours
So what are we waiting for

Come on, come on, come on
Baby give it up
Lay your love, lay your love on me
Never gonna get, never gonna get, get enough
Lay your love, lay your love on me

Come on, come on, come on
Come on, come on, come on
Lay your love, lay your love on me
Lay your love, lay your love on me
