

## O.S.I. "3 Indian Curse"

Visit "[3 Indian Curse](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Uncovered for a little while  
You told me, don't stop  
Uncovered for a little while  
With no one there to terrify

We'll start in Canada  
We have a chance there  
Move forward in reverse  
Oh come on indian curse  
We'll end with Mexico  
Over our shoulders  
Oh come on indian curse

We'll pass through Panama  
That's what it's there for  
Oh engine running worse  
Oh come on indian curse  
We exit Ecuador  
Along the shoulder  
Oh come on indian curse

Gonna wait this out  
Gonna wait it out  
Gonna wait it out on the plains  
Changes  
No more changes  
No more changes after now

Uncovered for a little while  
You told me, don't stop  
Uncovered for a little while  
With no one there to terrify
