She is the type of girl it will make you do whatever she  
comes to mind  
You may think you got a lady but she will make you  
reevaluate your life  
Like in a sticky situation [?] contemplating being  
faithful or getting something easy  
Now she is holding you against your will  
You're not sure how to feel  
Cause if she want it  
She's gonna get it  
So you best give up  
She is a bad girl  
She will do girls your girl won't do  
She is a bad girl  
She will have [?] too  
She is a bad girl  
Feel the lust and desire  
You are like [?] but in the need  
It's almost worth it  
She will come to you  
And seduce you  
Make you do once you see her freak one dress  
In your mind you're saying save me  
But your body is screaming there go baby yes  
And now you are in a sticky situation  
Contemplating being faithful or getting something  
easy  
Now she is holding you against your will  
You're not sure how to feel  
Cause if she want it  
She's gonna get it  
So you best give up  
She is a bad girl  
She will do girls your girl won't do  
She is a bad girl  
She will have [?] too  
She is a bad girl  
  
She is a bad girl
