Hate it when the truth unravels
Hate it when we don't get a spin
Hate it when the enemy travels
'Cause it's awfully un-American

Ain't no use
In asking why
To tell the truth
We're O.S.I.

Hate it when the truth unravels
Hate it when we don't get a spin
Hate it when the enemy travels
'Cause it's awfully un-American

Ain't no use
In asking why
To tell the truth
We're O.S.I.

We're helping you
To hire us
To help ourselves
We're serious.

Ain't no use
In asking why
To tell the truth
We're O.S.I.

Ain't no use
In asking why
To tell the truth
We're O.S.I.
