Hey  
You out in the car  
Hey, we're gonna need that  
You know who we are  
We're gonna take the house  
We're going up the hill  
And when we get there  
You know that we will

So when you are ready.  
When you are ready.

Hey  
You there in the tank  
Hey, we're gonna need  
That you know who to thank  
We're gonna take the house  
We're going up the hill  
And we're gonna need  
That you know that we will

So when you are ready  
When you are ready  
When you are ready

Before you close the door behind you  
Check your fine-tune

Go away  
Go away  
Go away now
