I don't care what people say
I don't care what they obey
I don't care what they will do
They don't get my eyes of you, yeah!
They don't get my eyes of you, yeah!

Love me, hate me, steal me, take me over
When the people stare, we left 'em all alone
So wont you take me, make me feel you baby
I can show you ways to be just on your own

Evil person
Selfish lover
Foolish creeper
Like no other
Call you crazy
Call you freak
No one likes you
But me...
