can i kiss you

whats your name  
do u care  
do u like me  
lets dance  
lets do this the wrong way round  
we can go  
we can leave  
we can grow up  
we can stay  
we can play  
have it our own way  
theres a chance we could fail  
we could fall down  
we could die  
we could fly  
we can let it go  
im gonna kiss you  
can i kiss you  
let me kiss you  
please let me kiss you

"chorus"

"Shes not the one  
shes not the one you thought she was  
she had her fun  
she had her fun but now shes gone"

have a smoke  
have a drink  
its a good time  
make a noise  
tell me how  
tell me where to go  
we can laugh  
we can cry  
we can shut up  
we can lie to each other and we'll never know  
do you care  
did you hear

did you get this  
i forgot lost the plot  
can you let it go  
im gonna kiss you  
can i kiss you  
let me kiss you  
please let me kiss you
