Can't kill the way I feel,
Can't stop a hurt so real.
Can't kill what I've denied,
There's nothing left to sacrifice.
I stand on solid ground,
Look up from falling down.
There's nothing left unsaid,
I live with no regrets.
I feel so alive, I could die!

I would break, I would burn, I would suffer,
There's nothing I wouldn't do, do for you.
I would lie, I would steal, for no other,
You make me feel so alive,
So alive I'd die for you!

There's nothing left to hide,
Want you to see inside.
For me, there is no doubt,
My heart is yours, so rip it out!
I don't expect you to understand this,
I'll take what you give, but I won't take it for granted.
I feel so alive, I could die!

I would break, I would burn, I would suffer,
There's nothing I wouldn't do, do for you.
I would lie, I would steal, for no other,
You make me feel so alive,
So alive I'd die for you!

Take my heart, just rip it out! Rip it out!
Take my heart, just rip it out! Rip it out!

I would break, I would burn, I would suffer,
There's nothing I wouldn't do, do for you.
I would lie, I would steal, for no other,
You make me feel so alive. (So alive)
I would break, I would burn, I would suffer,
There's nothing I wouldn't do, do for you.
I would lie, I would steal, for no other,
You make me feel so alive,

So alive I'd die for you!

Take my heart, just rip it out! Rip it out!

Take my heart, just rip it out! Rip it out!
