It's time to strap our boots on
This is a perfect day to die
Wipe the blood out of our eyes

In this life there's no surrender
There's nothing left for us to do
Find the strength to see this through

We are the ones who will never be broken
With our final breath
We'll fight to the death
We are soldiers, we are soldiers
Woah woah woah whoa
We are soldiers

I stand here right beside you
Tonight we're fighting for our lives
Let me hear your battle cry
Your battle cry

We are the ones who will never be broken
With our final breath
We'll fight to the death
We are soldiers, we are soldiers

We are the ones who will not go unspoken (not go
unspoken)
No, we will not sleep
We are not sheep
We are soldiers, we are soldiers
Yeah

We stand shoulder to shoulder
We stand shoulder to shoulder
We stand shoulder to shoulder
You can't erase us
You'll just have to face us

We stand shoulder to shoulder
We stand shoulder to shoulder
We stand shoulder to shoulder

You can't erase us
You'll just have to face us

We are the ones who will never be broken (never be
broken)
With our final breath
We'll fight to the death
We are soldiers, we are soldiers

We are the ones who will not go unspoken (not go
unspoken)
No, we will not sleep
We are not sheep
We are soldiers, we are soldiers
Yeah
Woah woah woah whoa
We are soldiers
Woah woah woah whoa
We are soldiers
Woah woah woah whoa
We are soldiers
