This is the first time I got nothing to say now, When you speak those before I lose my nerve, got your things, so ya said you were leavin' now, can I please explain the way I, oh I have to let you go the time here could be frozen but now I have to let you go, now go ahead go.. I'll never even know, don't let your love be broken, don't have to be alone

(Chorus)

When it's good it's good everything works out the way it should, but when it's bad so bad, I swear you were the best I ever had. it's got me going up 'n' down up 'n' down up 'n' down around, you got me goin'. up 'n' down up 'n' down up 'n' down around and around again

I know, I said a few things that I shouldn't have said to you. but if it wasn't for this fight there'd be no need for the truth, and I wouldn't be out of line and would be out of timeeeee Please. Slow down. don't go you don't have to go even tho I know, oh I have to let you go. the time could be closing but I wouldn't let you go, let's go ahead! go, don't ever let me go. don't let your heart be broken you don't have to be alone

When it's good it's good everything works out the way it should, but when it's bad, so bad. I swear you are the best I've ever had, it's got me goin' up 'n' down up 'n' down up 'n' down around you got me goin' up 'n' down up 'n' down up 'n' down around and around again.

Baby there's nothin' that I could replace, the damage has been done in so many ways, when I close my eyes I can see your face, I'm still holding on to your lips on my lips your heart 'n' my heart your hand in my hand your hands on my hips you're supposed to be right here with me there's no one else but me and I'm left here to believe because you need me

When it's good, it's good. everything works out the way I should but when it's bad, so bad I swear you were the best I ever had, it's got me goin' up 'n' down up 'n' down up 'n' down around it's got me goin' up 'n' down up 'n'

down up 'n' down around and around again.

Its good, its good everything works out the way it
should but when it's bad so bad i swear you were the
best i ever had, and its got me goin up 'n' down up 'n'
down up 'n' down around its got me goin up'n' down
up'n' down up'n'down around and around again
