[Intro:]

Yeah, yeah, yeah, yeah  
Catch me if you can

[Verse 1: Outasight]

Sink slow sips of bourbon, etching out a dream  
A page out of your notebook, images on a dusted screen  
And lord knows I'm right in front of you  
Mouth shut but I'm not gonna move  
I won't be here for long but that's just how shit goes  
Welcome to the Terrordome  
D'evils knocking on my door but I'm never home  
Papa was a rolling stone and he let 'em go  
So now, you understand why I'm better known  
And any list they made, don't try to write 'em off  
Any chick that I played, gonna fight 'em off  
Love the fireworks, yeah, let's light 'em off  
My AIM game tight but I'm really signing off

[Hook:]

And you seen the breaks and you seen the flaws  
Packed up in Spring, never returned in Fall  
I'm sorry I can't help you man  
Yeah, yeah, yeah, yeah  
Catch me if you...  
Catch me if you can

[Verse 2: Outasight]

Visions of grandeur, rolling across state lines  
Midnight fit for exit, navy skies, perfect time  
And lord knows I'm right in front of you  
Mouth shut but I'm not gonna move  
I won't be here for long but that's just how shit goes  
And I never really thought about  
How my life don't apply, don't walk it out  
And I don't know what you want me to say, yo  
But being ahead of my time kinda pay slow  
And I pay no mind to these new cats  
'Cause I was doing this a few back  
Ask the labels who said no, they knew that

Scared to market me, cut me down but I grew back

[Hook 2:]

And you seen the cracks and you seen the flaws  
Dashed out in the Summer, Winter never returned a  
call

I'm sorry I can't help you man

Yeah, yeah, yeah, yeah

Catch me if you...

Catch me if you can, catch me if you can

Catch me if you can, catch me if you can

Catch me if you...

Catch me if you...

Catch me if you...
