Magazines make a catalogue kid
What you read soon becomes your influence
Theres a corner
Everywhere you turn
An army of soldiers
In line to learn, well

It's okay, yeah
It's alright
I'll read the fine print
On my labels tonight
Well, its okay, yeah
It's alright
I'll read the fine print
On my labels tonight

Flash flash my bright light
We'll hit the town
We're on a escapade
Stealing from the lost and found
Cool shades used to cover my identity
Much luck in the skies that I got all over me

It's okay, yeah
It's alright
I'll read the fine print
On my labels tonight
Well, its okay, yeah
Its alright
I'll read the fine print
On my labels tonight

It's okay, yeah
It's alright
I'll read the fine print
On my labels tonight
Well, its okay, yeah
It's alright
I'll read the fine print
On my labels tonight
