Let's turn our noses up become a snob because we're
treading on rooves cause we're so fucken cool. Oh give
the act up you know you're geeks that conglomerate in
the city we speak of.

[Chorus]

Cause you don't always get what you want.
Oh no you can oh no you can oh no you can.
Cause you don't always get what you want.
I know you can I know you can I know you can.
