I don't know
If it's safe to go outside anymore
Cause when you're walking down the streets
And it's lonely
And the pavement and the bricks trip me over
Cause my grazed knees are
Gathering dust

So we can try
To look at ourselves in each other's eyes
You know my shoes can only get so muddy
Before my laces turn black and discoloured
But we could stay under cover
And colour in the dinosaurs

I'll shoot the sun down soon
'Cause I want it to rain
Tomorrow you can be my
Puddle jumper again

I'll shoot the sun down soon
'Cause I want it to rain
Tomorrow you can be my
Puddle jumper again

I don't know
If it's safe to go outside anymore
Cause when you're walking down the streets
And it's lonely
And the pavement and the bricks trip me over
Cause my grazed knees are
Gathering dust

I'll shoot the sun down soon
'Cause I want it to rain
Tomorrow you can be my
Puddle jumper again

I'll shoot the sun down soon
'Cause I want it to rain
Tomorrow you can be my

Puddle jumper again
