Girl, I wanna show my love

And you will love me,

And, I want to show the world to you baby.

I wanna see your face,

And kiss you everywhere,

Cause your soo beautiful.

Baby, I see you...

Baby, let me cuddle you,

Cause, I really love you,

Baby, come to me.

I wanna really know the truth from you,

baby, come on n' tell me if you really love me?

So girl, come n' tell me if you really love me,
