CHORUS: (2x)

I will go,
For you to show,
That I can't stand this pain.

Verse 1:

I've been thinking about you
Like everyday,
Never knew my baby
Will be fadin' away.,
Let me tell you one thing
That things will get straight,
I can't stand this pain
Like everyday.
Let me be the one
And show you the way,
The way that we supposed to be
Like everyday.
I know you feel the
Same pain in your vain.
Baby, I want to love ma (2x)
Baby, I want to kiss ma,
Baby, I missed ma beautiful,
Baby, I love her soo much,
Baby.

CHORUS: (2x)

I will go,
For you to show,
That I can't stand this pain.

VERSE 2:

I've been walking all alone,
On the phone,
That you told me
That you want me
Gone,
And I was crying
All over the phone,
Staring at the sky,
Saying:

"Oh God what's wrong?".
My love is boiling
Through my vein,
Hoping it doesn't
Go down the drain,
I know you feel the
Same pain in your vein.
Baby, I want to love ma (2x)
Baby, I want to kiss ma,
Baby, I missed ma beautiful,
Baby, I love her soo much,
Baby.

CHORUS: (2x)
I will go,
For you to show,
That I can't stand this pain.

FADING OUT:
Baby, I want to love ma
Baby, I want to kiss ma,
Baby, I missed ma beautiful,
Baby, I love her soo much,
Baby.
Would you marry me?
Baby,
Would you marry me?
Baby.
Can't stand this Pain,
Baby,
Can't Stand This Pain.
