INTRO:

Yeah,
True Love,
DjPabzProduction.
Gone..

VERSE 1:

Remember the day?
Where you used to hold me?
But now this is over,
since the day you left.
Baby, I was crying,
&you; we're smiling.
I was in pain,
skies drivin' me insane.
Girl, You wanna love me?
Girl Let me love you.
I will hold you and never
let go, babygirl.
I am here, all the time,
you we're gone (gone, gone).

CHORUS:

When I wake up from my bed,
came runnin' downstaires,
When I came to you,
You we're gone,
you we're gone.

VERSE 2:

When I came to my dream,
I was lookin' for you,
when I got you them flowers,
and you through them.
Baby, Why you do this?
I was asking, why?
then you we're gone.
Remember the day?
Where you used to hold me?
But now this is over,
since the day you left.

Baby, I was crying,
& you; we're smiling.
I was in pain,
skies drivin' me insane.

CHORUS: (7x)

When I wake up from my bed,
came runnin' downstairs,
When I came to you,
You we're gone,
you we're gone.
