VERSE 1:

"When i falled in love, at first sight,
you we're cheating behind my back, all these time.
It's about f*cking time, I spit the truth,
think you can go? without noone knowing the truth?
I loved you soo much,
I cared for you too much,
messing with my life? it's just too much.
How can you be so cruel to me?
I thought you'd never ever leave me.

You left me all alone to cry, (2x)
You left me all alone to die,
I'm lookin' at the beautiful sky,
Prayin' to God - Hopin' you realise."

CHORUS: (2x)

"I'm Gone Soo Heartless,
I Want My Love Back From You,
You Left Me With Another Guy,
iiSh - I Was Crying All Night"

I was so happy to call you my baby,
I was even planning to get married,

that just killed me, this ain't no lie.

You've been so cruel to me,
telling me to go f*ckin' die!

You left me all alone to cry, (2x)
You left me all alone to die,
I'm lookin' at the beautiful sky,
Prayin' to God - Hopin' you realise."
