GOING TO CHORUS //

This is for you.

CHORUS: (2x)

Girl, i wanna love you,  
I never wanna leave you,  
I wanna be with you,  
Cause I love you (love you).  
I wanna love you,  
I wanna hug you,  
I wanna kiss you,  
Cause I wanna be with you.

VERSE 1:

Let me get this straight,  
thinking, how we got seperated.  
But I can't even think straight,  
cause I got frustrated.  
I'm thinking about the times,  
we spent together,  
on that time,  
in the dark,  
where we fight together.  
I was trying soo hard,  
to find you in the park.  
All by myself,  
in the dark.  
And I... managed to survive.  
People we're looking for you,  
but they couldn't find you.  
I was going deeper,  
just to look and find you.  
Your a important girl,  
who cannot be lost.  
This world needs you, and love.  
Your mother needs you,  
your father needs you,  
your brother needs you  
& sister needs you.  
I need you even your friends needs you to.  
Come-on baby,

show us where you are.  
Show us your face,  
and we'll all be there for ya.

CHORUS: (2x)

Girl, i wanna love you,  
I never wanna leave you,  
I wanna be with you,  
Cause I love you (love you).  
I wanna love you,  
I wanna hug you,  
I wanna kiss you,  
Cause I wanna be with you.

SMALL VERSE TO END:

Girl, I was thinking about,  
you like everyday.  
I wanna show my love,  
to you in millions  
of ways. Let me  
be the one, and show you  
the way, I can take you the straight  
path and hold you there.
