INTRODUCTION:

The Moon and the Sun (4x)

VERSE 1:

The moon and the sun,
It alway's tells me that we're the only one.
When the sun rises up in the air,
It's a Gods Beautiful Blessed Sunny Day.
Hey Babygirl!
"I love you",
And you said:
"I love you too",
And I said:
"I love you more",
And you said:
"I love you even more."
Both lookin' at the sun,
Saying to my girl:
"that your the only one."
My baby said:
"I never loved anyone",
Then I said:
"I'll never leave you,
And never be gone".
I'm soo happy that I found you,
I'm even more happy
That my dream has came true,
& I promise
To look after you,
& I promise that
I'll never ever leave you.

CHORUS: (2x)

The Moon And The Sun,
It Makes Me Realise
That We're The Only One.
It Also Tells Me That
Your A Special One.
And We Both Promised That
We'll Both Never Be Gone!

VERSE 2:

"The Moon And The Sun".
Playing with my girl,
In the night of the dawn.
I see my baby got hurt on the floor,
And I was running to her and said:
"Let's go Home".
Look at the beautiful day,
"Can you see anything that's coming your way?"
If you feel anything in the sky,
That's probably a Angel passing us by.
Hey baby come n' hold my hands,
Lets go to a place where both can dance.
You said you wanna love me all night,
I said: "I wanna kiss you all night long".
The moon is flying by yours side,
The sun is coming towards my eyes,
The moon and the sun is entering our life,
Will be telling us:
"I'll be inside your life".

CHORUS: (2x)

The Moon And The Sun,
It Makes Me Realise
That We're The Only One.
It Also Tells Me That
Your A Special One.
And We Both Promised That
We'll Both Never Be Gone!

VERSE 3:

I always wanted to
Say something to you,
But this is the time
That I will have to tell you.
The thing is that
"I wanna marry you",
& if you know my promise
That I'll always be with you.
You can take my heart
And I can take yours,
You can eat my heart
And I'll eat yours.
Let me know if you love it
Cause I can give you some more.
If you ever want me...
Then I'll be yours.

CHORUS: (3x)

The Moon And The Sun,
It Makes Me Realise

That We're The Only One.
It Also Tells Me That
Your A Special One.
And We Both Promised That
We'll Both Never Be Gone!
