Tryna' say sorry, (2x)
your not listening,
but your heart is listening,
Tryna' fade you in.

VERSE 1:

All those calls & texts,
I sent you in the past,
Just wanna let you know,
I can love you right here in the dark.
Remember on that dat?
Where something broke us up?
It's that same guy,
who wants to tear us apart.
I know it's been so long,
by making this song,
this is the only way,
I can tell you that i'm so wrong.
I tried calling you so many times,
on your phone,
your ignoring my calls,
hope there's nothing wrong.
100's of people saying to me
"that you actually moved on",
never knew my baby will,
actually move on.
Went to the park,
thinkin soo dam hard,
thinkin about the times,
we both had.
Every broken mirrors,
are spreading through my head,
What the hell am I suppose to do?
when my brain goes dead?
No matter what,
cause i'm alway's by your side.
If you return to me,
then everything goes back to life.

CHORUS: (1x)

"I'm Soo Sorry" for making your cry,

"I'm Soo Sorry" for making your heart die.
"I'm Soo Sorry" for all my stupid lies,
"I'm Soo Sorry" for hurting you all the time.

"Please Call Me" if you want me back,
"I'll Be Right Here" waiting for you in the Park.
"I'm Soo Sorry" for making you cry,
"I'm Soo Sorry" for making your heart die.

VERSE 2:

I know your here by your phone,
so please don't pretend.
what are you going to do?
if my lifes comes to an end.
Your eyes are gonna cry,
your hearts gonna die.
What are you going to do,
if i'm not by your side?
Went home, crying all alone,
How am i gonna say sorry?
when your not pickin' up your phone?
There's no other ways to say sorry to you,
but my love doesn't end,
cause that's how much I wanna be with you.
Never knew your heart will be fadin' away,
doesn't matter: cause my heart is alway's here to stay.
You sent me a message to meet you in the rain,
tyin' my shoe laces,
running, we kissed with soo much pain.
I had enough, so I wrote a love letter,
all the times we had soo much fun together.
No matter what,
cause i'm alway's by your side.
If you return to me,
then everything goes back to life.

CHORUS: (1x)

"I'm Soo Sorry" for making your cry,
"I'm Soo Sorry" for making your heart die.
"I'm Soo Sorry" for all my stupid lies,
"I'm Soo Sorry" for hurting you all the time.

"Please Call Me" if you want me back,
"I'll Be Right Here" waiting for you in the Park.
"I'm Soo Sorry" for making you cry,
"I'm Soo Sorry" for making your heart die.

VERSE 3:

All those messages
you've sent me in the past,
I kept them all saved,

so i stay on your path.
Everytime I look into your beautiful eyes,
I alway's see this heaven
that's in your eyes.
I never knew my love is going to die,
but ma heart's gonna be with you- no lie.
You gotta' take the words
that's comin' thru ma mouth,
all those message's
are going towards your house.
I'm tryna say sorry
in a thousands of ways,
no replays, no nothing
I missed your face.
My heart can't live with you,
since your gone
let's see how you feel
when i am gone?
Puttin my shoes on,
tyin' my lace,
running towards you,
cause I missed your face.
No matter what,
cause i'm alway's by your side.
If you return to me,
then everything goes back to life.

CHORUS: (1x)

"I'm Soo Sorry" for making your cry,
"I'm Soo Sorry" for making your heart die.
"I'm Soo Sorry" for all my stupid lies,
"I'm Soo Sorry" for hurting you all the time.

"Please Call Me" if you want me back,
"I'll Be Right Here" waiting for you in the Park.
"I'm Soo Sorry" for making you cry,
"I'm Soo Sorry" for making your heart die.
