INTRO:

DjPabz On This One.
Baby, I don't wanna Lose you.
My hearts following you.
I cry soo much,
if anything happens to you.
Your the one for me.
Please stay strong for me.

CHORUS:

(Women, singing....)

VERSE 1:

These tears reminds me,
of you my girl.
I want you to stay strong for me,
come on girl.
I know you can make it,
I know you can do it,
I know you wanna see me,
but you can make it.
Baby, I'm next to you,
holding your hands,
giving every single thing, I can.
baby your the only one,
who's alway's on my mind,
how can I go,
when your on this pain?

VERSE FADIN' TO CHORUS:

Baby, please come on stay'
with me? Cause I don't want you,
to leave me!
My heart will,
get crushed on the floor,
without your love,
my heart will.

CHORUS:

(Women, singing....)

VERSE 2:

All the figts we had together,
hope fully, we last forever,
never want anything to happen
to you girl,
cause your the babygirl,
who means alot to me.
baby, keep holding my hands,
I can see your heart that's
gettin' crushed!
don't worry girl,
I'll be your superman.

VERSE FADIN' TO THE END: (3x)

Baby, please come on stay'
with me? Cause I don't want you,
to leave me!
My heart will,
get crushed on the floor,
without your love,
my heart will.
