Intro:
"PabzMiah"

Verse 1:
Baby, I tried soo hard
tp get these memories
out of my head.
I used to see you
all the time,
but I don't know
where you belong.
remember we're we
used to spend time
in the same old
place?
I remember you kissing
me while you're holding
my neck.

Chorus: (2x)
Girl, don't you go
let me hold you
you gave all the memories
to me.

I tried so hard
to not let you go,
and the memories
are un-forgettable.

Verse 2:
I tried calling you
so many times but
your not picking up
your phone.
If there's something
wrong, please call me
right away so I don't
have to worry
all night
long.

When someone leaves
you, your heart cries a lot,
you don't have the
strength to fight.
I have the strength to fight
these memories, but it's
taking too long to
disappear.

Chorus (4x)
Girl, don't you go
let me hold you
you gave all the memories
to me.

I tried so hard
to not let you go,
and the memories
are un-forgettable.
