Have you ever waken near?
Sucker free duck a lollipop
Where we're from, niggers say words likeâ€¦
I play words andâ€¦ holler
when they see me, just add water!
..condoms in the Fiji
Take it off, girl, I'm greedy,
off top is easy!
..middle finger to theâ€¦
Money on the phone, while I'm breaking down easy
Before we did this song, we was takenâ€¦
How they make us sound easy, still they do damaging
Jelly green giant, my niggas move cavage
God drink, Godâ€¦ shit, that's automatic

Automatic, automatic, automatic, automatic
Automatic, automatic, automatic, automatic
Automatic, automatic, automatic, automatic

Will Smith, Brad Pitt, Denzel
Slick wicked, 2Pac and Bigâ€¦
Late night I stay popping likeâ€¦
Straight down the block, base whopping like hell
Grown ass man, but I rap like I'm twelve

So fuck groupies, I'm joking myself!
A girl don't like thirsty bitches
In effect I don't wash dirty dishes
I don't fuck, I don't work with these niggers
Your whole clique sweet I'm likeâ€¦ she kisses

Automatic, automatic, automatic, automatic
Automatic, automatic, automatic, automatic
Automatic, automatic, automatic, automatic

Put your check up, we're certified niggas
Put your best dough, we fraternize niggas
Home grown greenery, hometown scenery
Luck flows down easily, luck holds downâ€¦
But right now, bitch wanna get this money all legally
If you ain't about that, then why you mislead me

You made itâ€¦ you made itâ€¦ simpleâ€¦
Late night visits from yourâ€¦ vixen
Said you're too soft cause your baby here glitters
..ain't no way to waste theâ€¦
Cause you hoes forgot the name
Just saying!
