Ghost in my closet and under my bed,  
Things that a child lets go on in her head,  
But I'm not a child anymore.

My first real heartbreak I was undone,  
Swore I had given up on love,  
But I'm not afraid anymore.

[Chorus]  
And I could look back on our story,  
But that chapter's closed,  
And like raindrops off my back, I can let your memories  
roll,  
Easy come, easy go.

Yesterday morning, I drove by your place,  
Reached for my cheek, no tears on my face,  
Cause I'm not that girl anymore.

[Chorus]  
And I could look back on our story,  
But that chapter's closed.  
And like raindrops off my back, I can let your memories  
roll,  
Easy come, easy go.

[Bridge]  
Easy go...  
To a place of peace that I have come to know.

Once all my dreams, were tied up in you,  
And I walked in fear you would not come true,  
But I'm not afraid anymore.

[Chorus]  
And I could look back on our story,  
But that chapters closed.  
And like raindrops off my back, I can let your memories  
roll,  
Easy come, easy go.
