I left away on holiday,  
I came back and you went away.  
Everything was gone, nothing was left,  
Even my signed Jeter bat.

I've been to a thousand places.  
I've seen millions of faces,  
That want me.  
Why don't you want me?

I've been here for far too long,  
I can't tell right from wrong.  
I'm sick of catching all this pity,  
You nasty boys look so pretty.  
Now I'm free from you.  
What am I supposed to do?  
Yeah.

I'm gonna go out,  
I'm gonna party.  
I'm gonna make you feel sorry.  
Don't come crawling back to me.

I'm gonna rock,  
I'm gonna roll.  
Don't come crawling back to me.

Now I see the world  
All your beautiful faces,  
I'm a free soul who's on vacation.  
Up so high I'll get lost coming back down. (Down,  
down, down)

Been to a thousand places.  
I've seen millions of faces,  
That want me.  
Why don't you want me?

I'm gonna go out,  
I'm gonna party.  
I'm gonna make you feel sorry.  
Don't come crawling back to me.

I'm gonna rock,  
I'm gonna roll.  
Don't come crawling back to me.

I've been here far too long,  
Long enough to write this song, for you.

Been to a thousand places.  
I've seen millions of faces,  
That want me.  
Why don't you want me.

I'm gonna go out,  
I'm gonna party.  
I'm gonna make you feel sorry.  
Don't come crawling back to me.

I'm gonna rock,  
I'm gonna roll.  
Don't come crawling back to me.  
Don't come crawling back to me.

I'm gonna go out,  
I'm gonna party.  
I'm gonna make you feel sorry.  
Don't come crawling back to me.  
Cause honey that's all you'll ever be.
