I, once upon a time
Carried a burden inside
I sung a last goodbye
A broken rhyme I'd underlined
There's an ocean of sorrow in you

A sorrow in me

Saw a movement in their eyes
Said I no longer knew the way
Given up the ghost
A passive mind submit to fear

And the wait for redemption at hand

Waiting to fail

Failing again

If death should take me now
Count my mistakes and let me through
Whisper in my ear
You've taken more than we've received
And the ocean of sorrow is you
