Aaa

Let me taste, let me feel  
I need to know what you keep inside  
No need to speak just let it be  
No long this wish for me when let it interfere  
(Aaa)

Rise to submission  
I'm still beneath this soil

Discard your clothes  
Let loose your hair  
We're intervened forever  
And has always been

Say the word  
And I'll depart  
Upon your lips dwells nothing  
But the meaning of my cause  
(Aaa)

Rise to submission  
I'm still beneath this soil

Ooh

And so comes the dark  
Vibrant as ever before  
Flowers already withered  
In this endless winter of souls

Outside in the park  
The days move along  
And nothing ever changes  
They have nothing on us  
And we've always knew  
That nothing ever changes

Ohh

Oh rise to submission  
I'm still beneath this soil

This is ours alone  
Being of the warmth  
Lure out from the inside  
Depending on the life blood

Ah  
Rise to submission  
I'm still beneath this soil  
This is it alone  
Digging of the wall  
Lure out from the inside

Ahh  
Silently  
Ahh  
Whispering  
Ahh  
Move in me set me free
