Will their children cry  
When their mother dies  
And in the autumn of their lives  
Will they feel the same?

[reversed lyrics 2:03-2:22]

The longing for me  
Comin' down like hail  
Why did you leave me?

Come here inside  
And tell me how  
How in my final days  
You found around

Your concern  
The signal for us to end our lives  
To wipe beneath the watches  
And you wait forever

The night comes high  
Your weakness  
Storing trace on your eyes  
So I left you alone  
We all left you alone

[reversed lyrics 7:21-7:24]

Lock the children away from harm  
They'll lock all your reason why  
Seeking ( ? ) with a dagger  
Skin is blocked by the years of trial

You felt abandoned in the fog of flesh  
Sitting in place from the dead  
Awaiting the face of the moon to ascend  
You follow the siren in your head

In your head
