Will the children cry
When their mother dies
And in the autumn of their lives
Will they feel the same?

[reversed lyrics 2:04-2:22]

The longing for me
Comin' down like hail
Why did you leave me?

Come here inside
And tell me how
How in my final days
You found around

Night comes on
The signal for us to end our lives
To wait beneath the watches
And you wait forever

The night comes high
Your weakness
Storing trace on your eyes
So I left you alone
We all left you alone

[reversed lyrics 7:20-7:24]

Lock the children away from home
They're no longer your reason why
Seeking death adds with a dagger
Skin is marked by the years of trial

You felt abandoned in a fog of flesh
Saying your prayers for the dead
Awaiting the face of the moon to ascend
You follow the sound in your head

In your head
