I feel your pryin' eyes all over me  
U get so exited by the things U should not see  
U been snoopin' round my dirty laundry  
Peepin' thru my window, into my privacy  
I know U're watchin', I know U're hidin'  
I can't keep secrets when walls have ears  
Oh ! U got me spooked yeah, got me jumpy  
Cuz' I know U're freakin' thru your 2 way mirror  
U look me up, U look me down  
Do you leave a good impression  
I wanna know do I satisfy  
Do I fit in your obsession  
I feel your pryin' eyes all over me  
U get so exited by the things U should not see  
U been snoopin' round my dirty laundry  
Peepin' thru my window, into my privacy  
U hear my pillow talk, see my stocking run  
Wait for me trip just one slip of the tongue  
I heard a floor board creak, I hear your camzera whine  
Will I see my picture in a checkout line  
U dig the dirt, U kiss & tell  
Don't worry if it's not the truth  
To make it more sensational, U can fabricate the proof  
I feel your pryin' eyes all over me  
U get so exited by the things U should not see  
U been snoopin' round my dirty laundry  
Peepin' thru my window, into my privacy  
I'm goin' down with my baby & we're in a groove  
With your infrared U're watchin' my every move  
Tryin' to trip my game, messin' with my brain  
I pay the price of fame, did your mother tell U that it's  
Rude, stickin' your business into mine  
U're a voyeur with a deadline, I heard it on the  
grapevine  
U're in the shadow where the sun don't shine  
U bury your soul just to get your big headlin  
I feel your pryin' eyes all over me  
U get so exited by the things U should not see  
U been snoopin' round my dirty laundry  
Peepin' thru my window, into my privacy
