Majesty  
Faithful me  
Pour yourself  
Into me

Wield your power  
Martyr's price  
Stare me down  
To the ground

The eyes of the devil  
Fixed on his sinners

Slake my thirst  
Eternal wealth  
Heathen key  
'Round my neck

This poetry  
Our blasphemy  
Know the sounds  
Of infamy

The hands of Satan  
Assembling his flock  
The pale horse rider  
Searching the earth

Whispered conjuration  
A belief takes form  
Choking hand tapping  
The veins in your throat

His orders in your mouth  
A decree for domination  
Beneath the tides of wisdom  
Spins the undertow of hate

Injected seeds of vengeance  
Usurper's eyes on the powerless  
Clean path to his kingdom  
Beaconing in the mist

The grand conjuration

Tell me why  
Love subsides  
In the light  
Of your wish

Say my name  
Ease the pain  
Clear the smoke  
In my head
