Weakness

Found you there in the blink of an eye  
(I) miss you  
Turned away into a thousand dreams  
Found out what they mean

Lost you there in a moment of truth  
(I) trust you  
Gave away the one and only heart  
(A) gift to tear apart

[Weakness lyrics on ]  
Stain me, save me  
Take me to my home  
Hold me, show me  
Take me to my home

Weaker now, drawing fluid from me  
(You) kill me  
I'm not afraid of what you have just done  
(But of) what you've just become
