OUTSIDE YOUR WORLD

Incognito Written By paper HEART

I wouldâ€™ve loved to been the comb running through
your hair
And with each and every stroke replace the pain lying
there
I wouldâ€™ve loved to been the bath when you first
stepped in
And wash away the guilt of your last boyfriend.

So stop pushing me away
Cause thereâ€™s always a chance
My patience is so great
And I believe in this romance.

I feel like the fly outside your world that you wonâ€™t
let in
I just want you to know that this doesnâ€™t have to end
I feel like the fly outside your world that you wonâ€™t
let in
I just want you to know that this doesnâ€™t have to
end.

I wouldâ€™ve loved to been the bed the night he told
you no
And catch each and every tear when they began to
overflow
I wouldâ€™ve loved to been the mirror when you found
someone new
And see you finally happy thatâ€™s all Iâ€™ve wanted
for you.

So stop pushing me away
Cause thereâ€™s always a chance
My patience is so great
And I believe in this romance.

I feel like the fly outside your world that you wonâ€™t
let in
I just want you to know that this doesnâ€™t have to end
I feel like the fly outside your world that you wonâ€™t

let in
I just want you to know that this doesn't have to
end.

I would've loved to been the ring placed upon your
finger
And help you forget all the pain that you still remember
I would've loved to been the bouquet you threw
after you said I do
And land in the hands of someone who's dealing
with what you went through.
