THE LAST WOMAN ON EARTH
Incognito Written By paper HEART

When it came right down to it
You weren't that good to me
When we were together nothing fit
You were the thorn that hindered me.

Whether you knew it or not
You broke me
No matter how much I try to hide it
I still bleed.

Even if you said you were wrong I couldn't believe
you
Even if you told me you'd be warm it would only
deceive you
Even if you reversed all the hurt I couldn't even get
with that
Even if you were the last woman on earth I still
wouldn't take you back.

When it came right down to it
You couldn't see the forest for the trees
When we were apart nothing clicked
You were the bat that shattered me.

Whether you knew it or not
You broke me
No matter how much I try to hide it
I still bleed.

Even if you said you were wrong I couldn't believe
you
Even if you told me you'd be warm it would only
deceive you
Even if you reversed all the hurt I couldn't even get
with that
Even if you were the last woman on earth I still
wouldn't take you back.
