Cigarette burns against my skin.
I feel no pain, it makes me think
I'm alive but barely well
Still kicking back against all you stand for.

Gettin' burned again.
Gettin' burned again.
Feels so good I'll smile.
I'll smile and say I'm doin' fine.

If you'll just turn you back,
If you just turn.

I wanna burn you down.
Shoot to kill.
Twist the blade until you feel.
Turn you on,
Get you off.
Promise never to reveal.

I'm gonna burn you down.
Burn you down!
I'm gonna burn you down.

Emptiness breaks the bottle,
Breaks the silence,
Makes me sin again and again.
I find my pain inside your walls,
Without your lies, your hallow.
Gettin' burned again.
Gettin' burned again.
Feels so good you're nothin'.
You're nothin', and I'm doin' fine.

If you just turn your back,
If you just turn.
You'll never make if right.
You reap, you sow,
You'll never know!

I wanna burn you down.
Shoot to kill.

Twist the blade until you feel.
Turn you on,
Get you off.
Promise never to reveal.

I wanna burn you down.
Shoot to kill.
Twist the blade until you feel.
Turn you on,
Get you off.
Promise never to reveal.

I'm gonna burn you down.

I'm gonna burn you down,
Burn you down,
Burn you down.

I'm gonna burn you down,
Burn you down,
Burn you down.
