I'll eat your tears untill you
Run away from me
Let go of the fear within you
Insecurity
Beating myself as fast as i can
Bleed to purity
Changin' myself to see who i am
That's all you have to give me now
That's all you have to give me now

And i can't feel for anything
Like i feel for you
But if that's all offering
I'll be searchin' for someone new

I die everytime you
Run away from me
Give in inside you
Insecurity
Wasting away as fast as i can
Bleed to purity
Hatin' myself to see who i am
What do you have to give me now
What do you have to give me now

And i can't feel for anything
Like i feel for you
But if that's all you offering
I'll be searchin' for someone new

And i can't feel for anything
Like i feel for you
But if that's all you offering
I'll be searchin' for someone new
And i can't feel for anything
Like i feel for you
But if that's all you offering
I'll be searchin' for someone new
