This instant regression  
This instant stuperfaction  
Why dont you learn your lesson  
You burning intuition  
Is only a fraction  
Of what it could be now  
Of what it should be  
Without this blasphemy

Why can't you see me  
Acknowledge me

As you bust yourself on  
Rocks from the cliffs above  
I step back and watch you  
Become my bleeding dove  
I mend you  
Repair you  
And one day set you free  
So perhaps one day you  
Will fall back into me

Why cant you see me  
Acknowledge me

You cannot tell me once again  
Why must you kill your closest friend  
I hold my breath to watch you  
Enjoy yourslef Destroy yourself  
Employ yourself into  
Transparency

Why can't you see me  
Acknowledge me

You cannot tell me once again  
Why must you kill your closest friend  
You cannot tell me once again no not again  
Why must you kill you closest friend

Why cant you see me  
Transparency

Why cant' you see me  
Transparency  
Why can't you see me  
Transparency  
why can't you see me  
Transparency
