[Verse 1]

Uh ohh  
Now i stared at you  
From across the room  
Until both my eyes were faded  
I was in a rush  
I was out of luck  
Now I'm so glad that I waited  
Well you were almost there  
Almost mine...yeah  
They say love ain't fair  
But I'm doing fine...

[Chorus]

Cause i swear it's you  
I swear it's you  
I swear it's you that I've waited for  
I swear it's you  
I swear it's you  
I swear it's you that my heart beats for  
And it isn't gonna stop  
No it just won't stop  
Uh oh oh  
Yeah

[Verse 2]

Now you were fine by night  
But when the morning light comes  
Comfortable as rain on Sunday  
And I'm a lucky soul  
That holds your hand so tight  
Hope you hear this one day  
Don't fool yourself  
This is my truth

[Chorus]

I swear it's you  
I swear it's you  
I swear it's you that i waited for  
I swear it's you  
I swear it's you

I swear it's you that my heart beats for  
And it ain't gonna stop  
It just won't stop

[Interlude]

You take this hand  
You take this heart  
Steal my bones  
From 1000 miles apart  
Feels so cold  
Felt just like its ten shades of winter  
And i need the sun  
Ohh yeahh  
Oh oh no no yeah yeah

[Chorus]

And i swear it's you  
I swear you  
I swear it's you that it waited for  
I swear it's you  
I swear its  
I swear it's you that my heart beats for  
I swear it's you  
I swear it's you  
I swear it's you that I've waited for  
I swear it's you  
I swear it's you  
I swear it's you that my heart beats for  
And it ain't gonna stop  
It just won't stop  
Heyy yeahh  
It just won't stop  
No no no no woahh yeah  
I swear it's you  
I swear it's you  
Ohh yeah
