I cant fight this feelin
Imma stop this bleedin
Wont you come now come save me somehow
Im stuck in this rat race
Im a silent disgrace
Im somewhere I cant say
I know youll find me someday
Its where ill hide
Its where ill pray
Its where ill say goodbye to my yesturdays
Its where ill hide
its where ill pray
Its where ill say goodbye to my yesturdays
Woah oh woah no oh
Wont you help me escape
From this selfish embrace
I need someone to blame
Why is it always your name
I know youll see me at night
Bring the silence of light
Why wont you put up a fight
Here I feel so alive
Its where ill hide
Its where ill pray
its where ill say goodbye to my yesturdays
Its where ill hide
Its where ill pray
Its where ill say goodbye to my yesturdays
.....
This is where ill hide
Its where ill pray
Ill say goodbye to yesturday
Its where il hide
its where ill pray
Its where ill say goodbye to yesturday
Hey ya
Its where ill hide
Its where ill pray
its where ill say goodbye to my yesturdays
Uh oh woah
Its where ill hide
Its where ill pray

Ill say goodbye to yesturday
