Everyday i see you,am speechless,
Me without you am worthless,
You are my princess and I'll be your prince
You make me humble
Lets play scrabble,Ooh ye scramble you make
everyday
A brand new day,
you are my way,be with me so we can play
Ooh lord God,yes i pray for this girl,
Once upon a time,i meet this chick from ZN town
very cute girl with a color of fire
moving in the street like she was in a tire,what was i to
do but i was on a higher
saying wow wow and willing to bow

(CHORUS)

See her on the street
Shes a brand new girl
Top top with a kit
Shes a brand new girl
My feet on the heat
Shes a brand new girl,Eeeh brand new girl
Eeeh brand new girl X3
