I want to get this out of the way,  
You know where I stand, I've been hanging by a thread.  
I've been bruised, in return I put You to death,  
I'm a mess and You see me for who I am.  
This has gone on for far too long.  
Shifting blame to others instead of myself,  
I know I have gone wrong. Frustration has put me  
towards  
the end of the rope. Deny myself to make You first  
is harder than everything.  
Promise me Your word, if I forfeit will You lift me  
up? Promise me Your cure if I confess will I be made  
new? If I confess will You be there with open arms?  
I'm at the end, give life to this body that's dead.  
I'm dead. Pick me up as I fall.  
I know who you are, I've seen you hurt,  
I've been there all along,  
I am your deepest need. You can't replace Me.  
I see you as you fall, My arms have already caught  
you. You are everything to Me,  
what you've done, I paid the price to set you free.  
No one can come against Me,  
I am Just, I am Love, I am Glory.  
I'll meet you at your deepest needs when you are weak  
and My promises I will never break.  
I've been true to you when you turn your back on Me.  
I knew who you were before I let you breathe.  
I will heal your deepest hurt and hear your every cry.  
My name is Jesus Christ, Resurrection and the Life.  
I am Life. If you believe in your heart and confess  
with your tongue, I will save you,  
I love you, your battles I have already won. I am Life.
